20 YEAR WARRANTY RAINWATER PRODUCT

DURAKOTE® PRE-PAINTED STEEL

DURAKOTE® PRE-PAINTED STEEL USED IN THE MANUFACTURE OF EXTERNAL RAINWATER PRODUCTS FOR COMMERCIAL AND RESIDENTIAL APPLICATIONS (INCLUDING GUTTER, DOWNPIPE & FASCIA)

Ace Gutters Pty Ltd (hereafter called ACE), warrants that gutter, downpipe and fascia manufactured from genuine DURAKOTE® pre-painted steel will have a life prior to perforation by natural weathering of 20 years from the date of installation.

ACE also warrants that the DURAKOTE® exterior paint system will not flake or peel for a period of 20 years from the date of installation.

ACE warrants that the gutter, downpipe or fascia is manufactured from high quality materials and is fit for purpose.

This warranty is only valid if the gutter/downpipe/fascia is installed in accordance with good building practice and current Australian Standards including the use of appropriate fasteners (AS 3566, Class 4 or better).

This warranty does not cover damage from storm or tempest, natural wear and tear such as fading, deterioration caused by abrasion or scratching, harsh or corrosive chemicals or contact with incompatible materials including lead or copper or water run-off containing these elements, poor maintenance allowing the build-up of soil and debris, corrosion within 200m of a marine or industrial emission source.

Please contact Ace Gutters for specific advice if you require rainwater goods for severe industrial or marine environments.

In the event of a warranty claim ACE will, at its discretion, repair or replace only product found to be defective up to the value of \$50,000 (job specific warranty information available on request prior to purchase.). ACE or its agent will need to inspect the site and assess the product prior to accepting a claim. Claims under this warranty must be submitted to ACE by the homeowner with written proof of date purchased in the form of an invoice or receipt from their supplier. ACE will not be liable for consequential losses, injury to people, or property.
